This modern family house is available to rent in leafy Máriaremete, where the maintained garden and spacious interiors together define the home. The light line of the glazed balcony balustrade, the pergola and the lawn nestled among trees reveal the possibilities for outdoor living from the moment you arrive.

The living room's polished floor and generous proportions create a bright, elegant setting for family life. The clean-lined white kitchen lends itself to a carefully laid table and a long dinner filled with conversation. Outside, the garden offers separate places for relaxation, children's games or a morning coffee.

Five bedrooms allow room for a study and guests alongside the family's own accommodation. Three bathrooms make mornings easier, and the indoor hot tub provides a special place to unwind at home. After a long day, relaxation can begin simply by returning here.

The double garage and ample storage help keep everyday belongings in order. Máriaremete's appeal for families includes nearby Hungarian and international schools and shopping facilities. This house gives shared activities a spacious setting, while leaving room for a peaceful retreat.
