On the second floor in Törökvész, southern light and panoramic views provide a beautiful backdrop to this furnished apartment. The attic living room's distinctive shapes create a welcoming, personal atmosphere, while the balcony door draws the eye towards the outlook. Warm timber flooring makes it a pleasure to return to this setting above the city at the end of the day.

Three bedrooms accompany the living room, leaving separate space for rest, children or working from home. In the bright kitchen, the round table is a more intimate meeting place, naturally accommodating morning coffee and a simple weekday dinner.

Both a bath and shower provide comfort in the bathroom, while the furnishings allow a move into an already established home environment. An underground parking space and an outdoor space are included, providing a practical arrangement for two cars.

Törökvész's Buda setting and the panoramic, south-facing position together make this rental appealing. The 94 m² apartment combines spaciousness with the more intimate character of an attic home. Monthly common charges of HUF 45,000 are payable in addition to rent.
