Views of the Opera give this Terézváros apartment a special backdrop. Beside tall windows, the dining area offers a bright, elegant setting for breakfast together, while herringbone flooring and a white kitchen worktop create a contemporary atmosphere suited to the historic building. A bioethanol feature fireplace adds a subtle accent to evening relaxation.

Renovated in 2022 and offered furnished, the apartment includes a separate bedroom and a gallery sleeping area. The arrangement leaves room to retreat alongside communal life. Of the two bathrooms, one has a shower and the other a bath; their marble-effect finishes continue the interior's elegance.

The equipped kitchen, built-in wardrobes and laundry room also accommodate practical daily tasks. Electric shutters, heat-pump heating/cooling and a lift serve comfort. This 82 m² first-floor home therefore combines central-city character with a useful setting for everyday living.

The ornate common areas of the Art Nouveau building on a pedestrian street enhance the experience of arrival. The Opera, Basilica and local restaurants can become part of city life, while metro links lead to further destinations. Monthly common charges of HUF 18,400 include water and sewerage.
