On the border of Zöldmál and Vérhalom, a garden-connected apartment occupying an entire floor offers tenants a spacious home. The living room with its fireplace forms a warm, personal centre, extending towards the large terrace. Darker kitchen surfaces and furniture give the furnished apartment a distinctive setting.

Built-in wardrobes in the three bedrooms support an organised routine. Separate rooms can accommodate family rest, work or guests, while the living room remains for time together. One of the two bathrooms has a bath and the other a shower, allowing morning and evening routines to be arranged comfortably.

Garden access and the panoramic position add particular value to this ground-floor home. Breakfast or a conversation at the end of the day on the terrace can become a natural part of apartment life. Each home in the three-apartment building occupies its own floor, emphasising the independence of the spaces.

Use of two underground parking spaces is included in the rent. Monthly common charges of HUF 85,000 cover heating, water and gas; pets are not permitted. In its Buda setting, the apartment combines furnished comfort, the freedom of a terrace and the quiet of its own floor into a home that is easy to settle into.
